

MOVEMENT ARTS DANCE ACADEMY 2017-2018 DANCE CLASS TUITION & FEES

TUITION FOR SCHOOL YEAR CLASSES

Tuition for group dance classes that meet for the entire school year is an annual fee that is based on 36 class meetings throughout the school year. There is a non-refundable annual registration fee that is due at the time of registration. Tuition may be paid in full, in two semester payments or in 10 equal monthly installments. If you choose to pay the year in full (due at the time of registration), you will receive a 5% discount. This option is only available if registered by September 15, 2017. If you choose to pay in two semester payments, the first semester payment is due at the time of registration, and the second semester payment is due on January 15, 2018. If you choose to pay in 10 equal installments, all tuition installments will be automatically run on the 15th of the month from August 2017 through May 2018. All payments are run through our online registration system and are paid via auto-pay from either a debit card or a credit card. All holidays and studio closings are already taken into account in the calculation of the tuition. Therefore there is no discount, pro-rating or refunds on any tuition that is paid. Monthly installments are the same rate each month, regardless of the number of lessons in a month. All tuition and fees once paid are **NON-REFUNDABLE** and **NON-TRANSFERABLE**.

DANCE RECITAL FEES

At the end of each school year we hold a Dance Recital to showcase what the students have learned that year. The Dance Recital is a full scale production in a theatre with professional sound and lights, scenery and costumes, and all participants pay an annual Recital Fee. The Recital Fee is \$150 per family (students from the same immediate family and under the same account) and is broken into three installments which will be automatically run to the card on file through our online payment system on October 1, 2017, December 1, 2017 and March 1, 2018. Families who enroll after any installment fees are due will be offered an alternate payment timetable to catch up by March 1, 2018. The recital fee covers the cost of one costume, including tights, one DVD of the recital, one recital T-shirt, snacks, refreshments and activities for your child/children while waiting backstage at the recital, additional security at the dress rehearsal and on recital day, and any additional hired backstage chaperones, as needed. If your family has multiple children enrolled in classes, or if your child takes multiples classes, additional costume fees will apply (see below). Additional costume fees are broken into three installments with the same due dates as the recital fee listed above. The recital fee does not cover the cost of any tickets, which are required for entry for each person to the recital and usually cost around \$25 per ticket. It is understood that all students who register for 2017-18 dance classes will participate in the Annual Dance Recital, unless we are informed otherwise.

All Dance Recital participants and their parents/guardians must adhere to our Recital Policies and Procedures (available on our website). If your child(ren) will not be participating in the 2018 Dance Recital, you must come to the front desk to fill out a **NON-PARTICIPATION** form by September 15, 2017 or within 2 weeks of registering. All associated recital fees are **NON-REFUNDABLE** and **NON-TRANSFERABLE**. This includes Recital Fee Installments, any Recital Extras and Recital Tickets. Once selected, recital tickets seat location, recital T-shirt sizes and recital DVD shows cannot be exchanged.

Any additional costumes, DVD's, and T-Shirts will cost:
